WL98-42-18

Adverting to Government Order No L 1095-28/11 dated 11-5-1943 ordering that the cost of cyano-fumigation of all the villages when plague actually breaks out will be borne by the Government, I have the honour to bring to notice that the patels and the chairmen of the villages are reported by the Asst Sanitary Inspectors posted for cyanogas work to be very indifferent and non-co-operative The chairmen and patels are not keen on finding sufficient number of coolies required for the fumigation of the villages and the Asst Sanitary Inspectors posted being strangers are not in a position to secure the services of the coolies for this kind of work, so much so, the work has been very much handicapped I, therefore, request you kindly to issue circular instructions to the chairmen and patels in your taluk to render all necessary help and co-operate with the Department in carrying out this important preventive measure
